

VACANCY

The Infrastructure Development Bank of Zimbabwe ("IDBZ/the Bank") is a national Development Finance Institution (DFI) that promotes infrastructure development in various sectors including Energy, Transport, Water & Sanitation, Housing, Irrigation infrastructure, ICT, Health, Tourism and Education. These are key enablers to inclusive socio-economic development and growth. The Bank also supports private sector enterprises, focusing on the infrastructure value chain, agri-businesses, mining and export-oriented businesses.

In order to effectively execute its mandate, the Bank seeks to recruit the following personnel:

DIRECTOR INFRASTRUCTURE PROJECTS 2 (Transport, Water & Sanitation, ICT, Education & Health and Public Sector Investment Programme)

JOB PURPOSE

The job involves participating in developing and implementing the Bank's infrastructure projects strategy; providing leadership and advisory support in the planning and packaging of transport, water & sanitation, Information Communications Technology (ICT), education and health projects, public sector investment programmes; and coordinating project implementation for successful delivery. The person will also oversee the Bank's Project Implementation Monitoring function.

The position reports to the Chief Executive Officer.

JOB RESPONSIBILITIES

- Contributes to the development of the Bank's infrastructure sector strategy to guide its interventions
- Leads in the identification of infrastructure projects to be packaged, financed, and implemented by the Bank
- Oversees due diligence on identified projects to ensure quality at entry
- Supervises the planning, development, structuring, and appraisal of projects in line with the Bank's policies and procedures
- Manages the Bank's key stakeholders, both at institutional and project levels
- Identifies and manages strategic partners for infrastructure development
- Coordinates the preparation of project concept papers or proposals
- Supervises the implementation, monitoring, evaluation and reporting for all projects
- Advocates for supportive policies for infrastructure development
- Identifies and coordinates capacity building programmes for identified projects
- Advises on prioritisation of pipeline projects
- Guides and supervises multi-disciplinary teams to ensure effective delivery on the Bank's Infrastructure Work Programmes
- Prepares and presents reports to the Bank's EXCO, Board Committees, Board of Directors, Implementing Agents, Clients and other Stakeholders.

QUALIFICATIONS AND EXPERIENCE

This is a senior position and requires the following attributes:

- Post graduate qualification in Management, Development Finance, Project Management, Engineering, Architecture, Project Finance, Construction Management, Economics or other relevant discipline.
- At least 10 years post qualification experience in project development and financing. Direct experience in the infrastructure development space will be an added advantage.
- Mature, confident and good networker with experience in building and nurturing relationships with key stakeholders.
- Experience in strategy formulation, and mapping activities and resource needs for successful strategy implementation.
- Experience working in a Developmental Finance Institution will be an added advantage.
- Strong communication and presentation skills.
- Excellent analytical skills.

Interested applicants should submit their applications by email, together with detailed Curriculum Vitae, not later than **16:00 hours Sunday, 31 January 2021**.

REMUNERATION

For the above position, a highly competitive package is on offer, details of which would be disclosed to the shortlisted candidates. To be considered, interested candidates are requested to forward their applications to:
